

ADAPTIVE SEATING USING TRIPLEWALL

About the Speaker

Nancy Altshuler is a physical therapist practicing at the Children’s Center for Therapy and Learning in Cedar Knolls, New Jersey. She is NDT certified in Pediatrics and Baby Treatment and is active in teaching seminars on adaptive seating using triplewall and assisting in NDT physical handling courses. She has also authored a video on “Pediatric Positioning with Triplewall,” that demonstrates each step in the design and fabrication of adaptive seating using triplewall.
